⚠ WARNING: PHOTOSENSITIVITY/EPILEPSY/SEIZURES

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a screen or when playing video games may trigger epileptic seizures or blackouts in these individuals. These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your physician before playing. IMMEDIATELY DISCONTINUE use and consult your physician before resuming gameplay if you or your child experience any of the following health problems or symptoms:

- dizziness
- altered vision
- eye or muscle twitches
- loss of awareness
- disorientation
- seizures
- any involuntary movement or convulsion

RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR PHYSICIAN.

Use and handling of video games to reduce the likelihood of a seizure

- Use in a well-lit area and keep a safe distance from the screen.
- Avoid prolonged use of the PSP® system. Take a 15-minute break during each hour of play.
- Avoid playing when you are tired or need sleep.

Stop using the system immediately if you experience any of the following symptoms: lightheadedness, nausea, or a sensation similar to motion sickness; discomfort or pain in the eyes, ears, hands, arms, or any other part of the body. If the condition persists, consult a doctor.

Do not use while driving or walking. Do not use in airplanes or medical facilities where use is prohibited or restricted. Set the PSP® system's wireless network feature to off when using the PSP® system on trains or in other crowded locations. If used near persons with pacemakers, the signal from the PSP® system's wireless network feature could interfere with the proper operation of the pacemaker.

Updating the PSP® (PlayStation® Portable) system

Updating the PSP® system software

This UMD™ includes the latest update data for the PSP® system. If a screen prompting you to update the system software is displayed when you start the UMD™, you must perform an update to start the software title contained on the UMD™.

Performing the update

When you insert the UMD™, an icon (as shown on the right) is displayed under [Game] in the home menu. Select the icon, and then follow the on-screen instructions to perform the update.

Before starting the update:

- Fully charge the PSP® system battery.
- Connect the AC adaptor to the system and plug it into an electrical outlet.

During an update:

- Do not remove the AC adaptor, turn off the system or remove the UMD™.
- If an update is canceled before completion, the system software may become damaged, and the system may require servicing to repair or exchange.

Checking that the update was successful

After the update has been completed, select [System Settings] under [Settings] from the home menu, and then select [System Information]. If the System Software field displays the version number of the update, the update was successful.

WELCOME

He's smart, he's daring, he's brave, and he's plastic! Welcome to LEGO® *Indiana Jones: The Original Adventures!* Along with a colorful cast of friends and enemies, Indy seeks the greatest archaeological finds of all time. Use your whip to crack open the fun and swing into action in this all new LEGO® adventure.

BARNETT COLLEGE

Indiana's Classroom

Step into the halls where some of the greatest minds have discussed the most important discoveries of all times. One of the most famous of them all, Indiana Jones, has become the most popular professor the school has seen. Along with his teaching duties, it's here that Dr. Jones's plans for his next great archeological adventure!

Game Modes

To get right to the action, check out the three maps that lead to the three *Indiana Jones* adventures: *Raiders of the Lost Ark*; *The Temple of Doom*; and *The Last Crusade*. Each map has 6 locations that lead to different chapters. Once you complete studying the first chapter of Indy's

Raiders of the Lost Ark adventure, *Lost Temple*, other chapters will be unlocked allowing you to move, in parallel, between all three of Indy's adventures.

STORY MODE & FREE PLAY MODE

Story Mode is where you can relive Indy's most action-packed moments. You can follow the events of his adventures and play as the original characters from the films. And don't forget about Free Play mode! Sure, it's a blast to play as the original characters, but think about how fun it would be to play those same amazing adventures with any character you want! You'll need to play each chapter with the original characters in story mode first before you can go around playing with anyone else in Free Play.

Please note that the Dean of Archeology has deemed Free Play mode levels to be too much fun and has only provided a few characters to play with. If you want more characters for Free Play mode, you'll have to unlock them.

EXPLORING BARNETT COLLEGE

The Library

Visit the Library to see history come to life! Talk to the Librarian to increase your collection of Free Play characters. Tag other characters in the library to take control of them, by pressing the  button.

The Art Room

In a LEGO® world, anything is possible. In the Art Room, express your creativity by creating your own customized characters – then take them in to a Free Play adventure!

The Mail Room

In your adventures across the globe, look out for hidden packages containing ancient artifacts of great power. Whenever you find them, pick them up and take them to a mailbox. When your travels are complete and you return to the College, go to the Mail Room and make a collection – once you've paid for the shipping, of course! You can activate or de-activate these "Extra" powers using the Extras Menu, from the Pause Menu.

The Math Classroom

Got a secret code? Congratulations! Write it on the blackboard here.

Explore And Discover

Rumors abound of hidden areas in the College – perhaps, it is said, there are even secret levels, somewhere, waiting to be discovered. Can you uncover the truth?

CHARACTER ABILITIES

Building

In the world of LEGO® *Indiana Jones*, you'll often need to build an object out of LEGO® pieces to overcome an obstacle. Just approach a pile of LEGO® bricks and hold the Ⓞ button to build.

The Whip

One of the best parts of playing as Indiana Jones is his mastery of the bull whip! Use it to gain access to areas of levels that he cannot reach by walking or jumping. Look for wooden whip platforms to discover many of the ways you can use the whip. Press the Ⓞ button to drag, topple, pull, activate, and even disarm enemies!

Combat

Almost every character in the game has a combat-style, find out what you like best. However, keep in mind that some weapons have abilities to help you through a chapter. For example, the shovel can also be used to dig up treasure and pieces used to solve puzzles.

Carry

When you need to get an object from one place to another, what should you do? Pick it up of course! Whenever you are close to an object, press the Ⓞ button to pick up that object. Look for special green pads to drop these objects on.

Rope Climb / Swing

Any character can climb to new heights with ropes. Jump towards the rope to grab hold and use the analog stick to access higher platforms. Press jump again to jump off.

Academic

In the *Indiana Jones* world, academic characters, like Prof. Jones Sr. and Marcus Brody, have the ability to access areas of the level by translating special jumbled pictures. Pick up books to allow any character to use this ability.

Excavate

Excavation characters like Salah and Satipo have the ability to dig up objects or entrances to new areas of the level. Pick up a shovel to allow any character to use this ability.

Small Access

Sometimes the best character is the smallest! Small characters, like Short Round and the Maharajah, have the ability to use small access. Small characters can enter one and exit another in a different location and vice versa.

Object Throwing

Ammo problems? Start throwing the room at them! Most characters can throw chairs and bottles at enemies. Press the **○** button to pick up the object and the **○** button to throw it at the target.

Bananas / Monkey

It's time to get down to monkey business. When you can't get to an area because it is too high or the path is too small, throw a banana at what you want and get a monkey to do it.

Mechanics

Certain characters have the ability to fix any non working machine. Look for the sparks and tap the **○** button when your character has a wrench in their hands.

Special Character Access

Certain areas can only be accessed by soldiers or Thuggees – but you can trick your way in by wearing the correct headgear. Pick up hats from defeated enemies to disguise yourself, then stand in front a guard post or Thuggee Statue and press the **○** button for access.

ITEMS

Blow-ups

Blow-ups are destructible objects that can be destroyed by whip, gun or melee attack. Blow-ups reveal LEGO® studs and/or buildable elements when destroyed.

Build-its

Standard build-its

Build-its are piles of LEGO® bricks that can be constructed to make level objects such as switches, levers and steps. When standing near a pile of bricks that jiggle, press and hold the **○** button to begin building. Some build-its have "special" properties. When using special build-its, the three blue bricks must be found and placed on the blue special build-it pad before the special object can be built.

Silver LEGO® objects

Silver LEGO® objects can only be destroyed by large explosions. Look for dynamite or a bazooka to take out these objects.

Movable objects

Some objects in the game can be pushed by walking into them. Pull blocks can be dragged backwards by walking into the pull handle and thumbing the analog stick in the opposite direction.

Special Torches

You can use torches to clear your path of critters and blow up obstacles. Also, torches can set some objects alight.

Phobias

Certain characters have fears that won't allow them to move forward. For example, Indiana Jones is afraid of snakes, Prof. Jones Sr. is afraid of rats, and Willie is afraid of bugs. Find a torch to clear the snakes/rats/bugs from your path and conquer the character's fears.

Dynamite

Dynamite can be used to create large explosions by using specially lit torches next to them. These explosions will often destroy silver LEGO® objects that cannot be destroyed by regular weapons.

Collectibles

Studs

Studs are LEGO® currency and are used to purchase characters, abilities and hints. There are four types of LEGO® Studs, each with a different value:

- Silver – 10 points
- Gold – 100 points
- Blue – 1,000 points
- Purple – 10,000 points

Artifacts

There are ten artifact pieces located in each chapter, some accessible in Story Mode, but the majority can only be collected in Free Play. You must collect all ten to complete the artifact.

Hearts

Some items and enemies will reveal heart tokens when destroyed. Pick these up to restore your health.

Saving and Loading

When you first complete a chapter or purchase an item, you will be asked to select a save-game file. Choose where you want to save and press the **X** button to confirm.

You will be asked if you wish to enable auto-save, which is recommended. If you do so, LEGO® *Indiana Jones: The Original Adventures* will then save your progress into this file automatically at the end of each chapter.

This warranty is not applicable and shall be void if the defect has arisen through abuse, mistreatment, neglect, or from normal wear and tear. LucasArts has no obligation to provide support, maintenance, upgrades, modifications or new releases under this Agreement.

You expressly acknowledge and agree that use of the Software is at your sole risk. Except for the limited ninety (90) day warranty on the media set forth above, the Software and any related documentation or materials are provided "AS IS" and without warranty of any kind. LUCASARTS EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT. LUCASARTS DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE SOFTWARE WILL MEET YOUR REQUIREMENTS, THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS IN THE SOFTWARE WILL BE CORRECTED. LUCASARTS SHALL ALSO NOT BE LIABLE FOR ANY DELAYS, SYSTEM FAILURES OR SYSTEM OUTAGES WHICH MAY AFFECT ONLINE GAME PLAY OR ACCESS THERETO. LUCASARTS RESERVES THE RIGHT TO DISCONTINUE MAKING THE SERVER AVAILABLE (AND YOUR ABILITY TO PLAY THE GAME) AT ANY TIME AND FOR ANY REASON. THE ENTIRE RISK AS TO THE RESULTS AND PERFORMANCE OF THE SOFTWARE IS ASSUMED BY YOU, AND YOU (AND NOT LUCASARTS) ASSUME THE ENTIRE COST OF ALL SERVICING, REPAIR AND/OR CORRECTION. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO YOU.

UNDER NO CIRCUMSTANCES INCLUDING NEGLIGENCE, SHALL LUCASARTS, OR ITS DIRECTORS, OFFICERS, EMPLOYEES, LICENSORS, LICENSEES OR AGENTS, BE LIABLE TO YOU FOR ANY INCIDENTAL, CONSEQUENTIAL, SPECIAL OR CONSEQUENTIAL DAMAGES INCLUDING DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOST DATA, LOSS OF BUSINESS INFORMATION, AND THE LIKE ARISING OUT OF THE POSSESSION, USE, OR MALFUNCTION OF THIS PRODUCT, INCLUDING WITHOUT LIMITATION, DAMAGE TO HARDWARE AND TO THE EXTENT ANY DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOST DATA, OR CONSEQUENTIAL DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOST DATA, OR CONSEQUENTIAL DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOST DATA, OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

LIMITED WARRANTY

YOU AGREE THAT THE LIABILITY OF LUCASARTS ARISING OUT OF ANY KIND OF LEGAL CLAIM (WHETHER IN CONTRACT, TORT, OR OTHERWISE) WILL NOT EXCEED THE AMOUNT YOU ORIGINALLY PAID FOR THE USE OF THE SOFTWARE. YOU AGREE TO WAIVE ANY RIGHT TO EQUITABLE RELIEF, INCLUDING, WITHOUT LIMITATION, ANY EQUITABLE RELIEF TO ENFORCE THE TERMS HEREOF. THE PARTIES ACKNOWLEDGE THAT THE LIMITATIONS OF LIABILITY IN THIS AND OTHER PROVISIONS OF THIS AGREEMENT AND THE ALLOCATION OF RISK HEREIN ARE AN ESSENTIAL ELEMENT OF THE BARGAIN BETWEEN THE PARTIES, WITHOUT WHICH LUCASARTS WOULD NOT HAVE ENTERED INTO THIS AGREEMENT. LUCASARTS' PRICING REFLECTS THIS ALLOCATION OF RISK AND THE LIMITATION OF LIABILITY SPECIFIED HEREIN.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS DEPENDING ON THE LAWS IN YOUR STATE.

This Agreement is governed in all respects by the laws of the State of California as such laws are applied to agreements entered into and to be performed entirely within California between California residents, and you hereby consent to personal jurisdiction in California. This Agreement will not be governed by the United Nations Convention on Contracts for the International Sale of Goods, the application of which is expressly excluded. You and LucasArts each agree that any controversy arising out of this Agreement or the Software shall be settled by expedited binding arbitration in accordance with the rules of the American Arbitration Association. Such arbitration shall take place in Marin County, California, and you waive any claim that such forum is inconvenient. Any such claim or controversy shall be arbitrated solely on an individual basis and shall not be consolidated with a claim of any other party. The arbitrator may not change the terms of this Agreement. The arbitrator may award injunctive or other equitable relief to enforce the terms hereof; provided, however, that no injunctive or equitable relief may be awarded that would enjoin or impair LucasArts' rights or ability to distribute or otherwise market, advertise, promote or exploit the Software. If it is judicially determined that any claim or controversy arising out of or related to this Agreement or the Software cannot be settled by expedited binding arbitration as noted above, then you agree that any such claims or controversies shall be brought and maintained in the state courts located within the County of Marin, State of California or the federal courts of the Northern District of California, and you waive any claim that either such forum is inconvenient. The foregoing shall not preclude LucasArts from seeking any injunctive or other relief for protection of LucasArts' intellectual property rights or similar rights in any court of competent jurisdiction. Because LucasArts would be irreparably damaged if the terms of this Agreement were not specifically enforced, you agree that LucasArts shall be entitled, without bond, other security or proof of damages, to appropriate equitable remedies with respect to breaches of this Agreement, in addition to such other remedies as LucasArts may otherwise have under applicable laws. The prevailing party in any action to enforce this Agreement shall be entitled to recover costs and expenses including, without limitation, reasonable attorney's fees. LucasArts shall have the right, but not the obligation, to defend and settle, at its option, any action or proceeding arising from a claim that your permitted use of the Software infringes or misappropriates any patent, copyright, or other ownership of a third party. You agree to provide LucasArts with written notice of any such claim within ten (10) business days of your first knowledge thereof and to provide reasonable assistance in the defense of such claim. LucasArts shall have sole discretion and control over the defense or settlement of such claim, unless it declines to defend or settle such claim, in which case you are free to pursue such course of action as you reasonably determine. LucasArts is under no obligation hereunder to indemnify or hold you harmless with respect to any actions, proceedings or claims. In the event of such a claim, or if LucasArts believes such a claim is likely, LucasArts may: (i) procure for you or the action to continue using the Software; (ii) modify the Software so that it becomes non-infringing; or, (iii) terminate this Agreement. You agree to comply with any court judgment or other conditions imposed on you or LucasArts as a result of an allegation of patent or copyright infringement (whether by court order, agreement or otherwise), whether or not such judgment or conditions contradict the conditions of this Agreement, including without limitation, ceasing use of the Software.

If any provision of this Agreement is held to be invalid or unenforceable, such provision shall be struck and the validity and enforceability of the remainder of this Agreement shall in no way be affected or impaired thereby. This provision shall be enforced to the maximum extent possible so as to effect the intent of the parties and shall be reformed without further action by the parties to the extent necessary to make such provision valid and enforceable. LucasArts' failure to act with respect to a breach by you or others does not waive LucasArts' right to act with respect to subsequent or similar breaches, nor will any single or partial exercise of any right hereunder preclude further exercise of any other right hereunder. This Agreement sets forth the entire understanding and agreement between you and LucasArts with respect to the subject matter hereof. Except as provided herein, this Agreement may not be amended except in a writing signed by both parties; provided, however, that LucasArts has the right, without notice and/or without a writing signed by both parties, to amend this Agreement in connection with any modifications or updates to the Software.

The license term shall commence as of the date you install or otherwise use the Software. You may terminate this license by disposing of the Software. Without prejudice to any other rights of LucasArts, this Agreement will terminate automatically if you fail to comply with its terms and conditions. In such event, you must destroy all copies of the Software and all its component parts. Your disposal or destruction of the Software and any component parts must be done in accordance with applicable law. Except for the license granted herein and as expressly provided herein, the terms of this Agreement will survive termination.

If the Software is acquired under agreement with the U.S. government or any agency or instrumentality thereof, it is acquired as "commercial computer software" subject to the provisions hereof, as specified in 48 CFR 12.212 of the FAR and, if acquired for Department of Defense (DoD) units, 48 CFR 277-2.02 of the DoD FAR Supplement, or sections succeeding thereof.
